### CHEF – Gareth Alder, British

Interests:

Snowboarding, food & fine dining, socialising and fitness

Gareth began his career as a chef working in a restaurant in his hometown of Eastbourne England. He returned to college to study catering and hospitality and after 2 years was a senior chef at an exclusive hotel. He went on to be sous-chef in a number of high end restaurants in the South of England, two of which hold Michelin Stars.

In 2011, Gareth went to the French Alps to take on the position of Senior Sous Chef in a boutique hotel, and it was here that he developed a passion for snowboarding. He joined DENIKI in 2012, bringing with him his love of the finest ingredients and his drive for perfection in his cooking.
