FLORAMYE

FOUNTAIN PAJOT

“We thank you so much for a wonderful experience. You have shown us the beauty of Croatia in food and culture. We loved the attention to detail, the board games, great stories and kindness.”

ABOUT FLORAMYE

FLORAMYE is the first Fountain Pajot 67 permanently based in Croatia, with an experienced local crew.

The name FLORAMYE comes from a charming operetta Mala Floramye by Ivo Tijardović, a Croatian composer. Written in 1926, Tijardović blended romance, humour, and a touch of drama, all while celebrating the unique spirit of Dalmatian life during the 1920s. This operetta is particularly special for its ability to capture the beauty of the Mediterranean, with its rich cultural nuances, traditional customs, and the romantic seafaring life. Catamaran FLORAMYE is set to live up to its name and will showcase all that Dalmatia has to offer and more.

FLORAMYE is elegant and stylish. Everything has been thought through to ensure that charterers experience the utmost comfort and luxury.

SALON

FLORAMYE features an open-plan salon that includes a spacious seating area and a fully-equipped galley kitchen. Enjoy the breathtaking vistas of the Croatian coast through the large, elegant doors that lead to the expansive aft deck. The interior is beautifully styled, combining modern elegance with comfort to create your own luxurious floating villa. Whether you're lounging in the salon or stepping outside to take in the views, every moment spent on FLORAMYE promises relaxation and indulgence.

CABINS

FLORAMYE has four guests cabins, one exceptional master suite as well as three double cabins. All cabins are equipped with queen sized beds and their own ensuite bathrooms.

EXTERIOR LOUNGES & SUNDECK

Outside the space is just as generous; a beautiful teak deck covers most of the outdoor area. At the front, apart from the popular trampolines, there is a lowered lounge/sitting area and a welcoming jacuzzi. The flybridge provides the perfect place to enjoy cocktails while admiring the view. Both cockpit and the flybridge offer generous areas for dining and lounging.

CREW AND SERVICE

“What can we say, this has truly been an unforgettable trip! You have all been amazing...”

FLORAMYE has a rotating crew made up of two captains and two hostesses who will vary depending on the week. This wider crew all know each other well. Each crew will contain one of the captains and one of the hostesses alongside permanent chef Igor. Captain Nino has delivered the yacht to Croatia, prepared it for charter and started the season well. He will also rejoin the crew in September. Captain Luka will be on board for the remaining weeks. The captains will work alongside Hostess Vedrana and Nadia.

While you are on board, your hosts will cater to your preferences. Feel free to ask your crew for recommendations on excursions, the best restaurants, hikes, vineyards to visit ... or simply unwind on board; you will be well looked after.
